Kansas City, MO**

In 2009, more than 2,500 metro Kansas City students participated in character events in conjunction with the Buffalo Funds– NAIA Division I Men's Basketball National Championship.

Students who participate in the *Champions of Character* initiative, walk away with the understanding of how integrity, respect, responsibility, sportsmanship and servant leadership can assist them on the field of athletic competition and in life.

This year the NAIA plans to reach out to more students in effort to spread the *Champions of Character* initiative.

Your Corporate Shootout participation ensures that this innovative program will continue to impact Kansas City youth and change the culture of sport.
